

Decacorn

sanskritiias.com/pt-cards/decacorn-2

- Decacorn is a tag that firms and startups get on the basis of their valuation. Recently '**Swiggy**' has received this tag. Earlier this tag has been received by **Flipkart, Paytm, Oyo and Byju's**.
- It is noteworthy that **private firms and startups get 3 types of tags on the basis of their valuation-**
 - **Unicorn:** To a company valued at over \$1 billion
 - **Decacorn:** To a company valued at over \$10 billion
 - **Hectocorn:** To a company valued at over \$100 billion
- Currently, the **United States has the largest number of companies with unicorn status, followed by China and India respectively.**
- The growing startup culture in India has led to a rapid increase in the number of unicorn companies in the last financial year. However, the number of Decacorn companies is limited as of now.
- It is worth noting that **till now no Indian company has received the tag of Hectocorn.**
