- Greater Tipraland is an extension of the demand for **Tiparaland, a separate state of Tripura tribals**, by 'Indigenous Peoples Front of Tripura (IPFT).
- The main demand of the proposed model is to include every tribal person living in an indigenous region or village outside the 'Tripura Tribal Area Autonomous District Council' (TTAADC). The **Tripuri community consists of 19 'clans'**, most of whom live in the TTAADC region. It is known as 'Greater Tiparaland'.
- It is important to note that this idea of Greater Tipraland is not confined only to the areas under the Tribal Council of Tripura. There has been talk of including Tiparasa group people from other states like Assam, Mizoram and peoples from places outside India like Bandarban, Chittagong, Khagrachari and other areas around Bangladesh.
- **Tripuri** (also known as Tipra, Tiparasa, Twipra) is the **Primitive ethnic group** of Tripura.
