- Shri Anil Kumar Jain, the CEO, National Internet Exchange of India (NIXI), Ministry of Electronics & Information Technology and the **Chairman of Coordination Committee, India Internet Governance Forum 2021 (IGF), announced the launch of India Internet Governance Forum (IIGF) -2021.**
- With this announcement, the Indian chapter of the United Nations based forum namely Internet Governance Forum has begun. **It's an Internet Governance policy discussion platform to bring representatives together from various groups, considering all at par to discuss public policy issues related to the Internet. IIGF- 2021 will be planned for three days, starting from 20th October, 2021. The theme of this year's meeting is Inclusive Internet for Digital India.**
- This mode of engagement is referred to as the multi-stakeholder model of Internet Governance, which has been the key feature for the Internet's success. Multi Stakeholder concept is well adopted by Internet Governance Forum under United Nations and by Internet Corporation for Assigned Names and Numbers.
- **India is the second-largest broadband subscription country in the world and also has the highest data consumption per user per month.** India Internet Governance Forum is the correct initiative for the country to ensure that the growth of broadband adheres to the lifestyle and requirements of the Indian community.
