- The 'Global Innovation Policy Center' of the U.S. Chamber of Commerce released the '**International Intellectual Property Index-2022**'.
- It assesses intellectual property rights in global economies ranging from patent and copyright policies to commercialization of intellectual property assets and ratification of international treaties.
- In this index, **India is ranked 43 out of 55 countries, while in the last year, India was ranked 40.**
- The five world's best-ranked countries in this index are the US, United Kingdom, Germany, Sweden and France respectively, while Venezuela is at the last position.
