- In 2020-21, **over 58,000 children were rescued across India from work, rehabilitated and mainstreamed** under the National Child Labour Project, according to figures tabled in Lok Sabha by Ministry of Labour and Employment.
- **The National Child Labour Project (NCLP) Scheme** is a Central Sector Scheme. Under this Scheme the District Project Societies are set up at the district level under the Chairmanship of the Collector/District Magistrate for overseeing the implementation of the project.
- Under this Scheme, **the children in the age group of 9-14 years are withdrawn from work and put into NCLP Special Training Centres**, where they are provided with bridge education, vocational training, mid-day meal, stipend, health care etc. before being mainstreamed into formal education system.
- Under this Scheme, funds are provided directly to the District Project Societies who in turn engage and allocate the funds to NGOs/Voluntary Agencies/Civil Societies Organisation etc. for running of Special Training Centres.
- **A dedicated online portal named PENCiL (Platform for Effective Enforcement for No Child Labour) is developed in order to make the NCLP successful through better monitoring and implementation.** The children in the age group of 5-8 years are directly linked to the formal education system through a close coordination with the Sarva Shiksha Abhiyan.
