- **NITI Aayog, Amazon Web Services, and Intel have come together** to establish a new experience studio at the NITI Aayog Frontier Technologies Cloud Innovation Center to Accelerate Digital Innovation in India.
- Located in NITI Aayog's New Delhi premises, **the studio will be a hub for collaboration and experimentation to enable problem solving and innovation** between government stakeholders, startups, enterprises, and industry domain experts with emphasis on health, education, open innovation, agriculture and infrastructure sectors. It will also provide startups with an option to access necessary support to enhance and scale their solutions.
- The **studio will help showcase the potential of technologies** such as artificial intelligence, machine learning, Internet of Things, augmented reality and virtual reality (AR/VR), blockchain, and robotics to accelerate their application in public sector use cases.
- NITI Aayog will also leverage the studio to demonstrate the application of geospatial, AR/VR, drone, and IoT solutions in verticals such as healthcare, agriculture, and smart infrastructure.
