- To safeguard the interest of its customers, Country's largest lender State Bank of India (SBI) has launched a new and enhanced security feature 'SIM Binding' in **YONO** and **YONO Lite**. The new version of these platforms will protect customers from various digital frauds.
- **With the SIM Binding feature, YONO and YONO Lite will work only on those devices which have SIM of mobile numbers registered with the Bank.** To access to the new version of YONO and YONO Lite, users will have to update their mobile app and complete the one-time registration process on these Apps. The registration process verifies the SIM of the Registered Mobile Number (RMN) with the bank in order to complete the registration.
- YONO (You Only Need One) is an integrated digital banking platform offered by State Bank of India (SBI) to enable users to access a variety of financial and other services such as flight, train, bus and taxi bookings, online shopping, or medical bill payments.
- **YONO is offered as a smartphone app for both Android and iOS.** YONO was launched in 2017.
